

Free CPE in CPEdge

How to Login

This is a friendly reminder that you have access to an unlimited amount of CPE in your CPEdge account! The process for requesting courses has changed and is much easier due to the unlimited CPE available to you!

Everything you need to know about your CPEdge account can be found on the IRS Support Resource page. The [IRS Support Resources](#) page covers everything from creating an account to recovering username or password as well as who to reach out to for help.

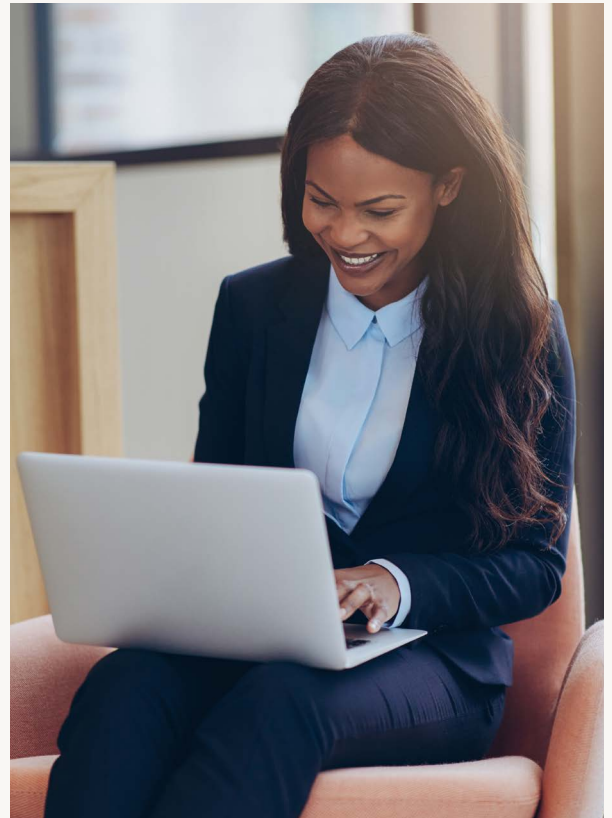

Note: Copy and paste the link here if the link above does not work:

Quick Tips & Tricks in Your Account

Need to find a certificate? Go to your **Activity History** tab and select **Certificates & Documents** from the left side panel.

See courses you like, but don't have the time right now? Launch as many courses as you desire to put them on your **Homeroom** tab to easily launch them when you have the time.
